Superintendent's  
Circle

# Superintendent's Circle

The Superintendent's Circle gives recognition to any individual who supports the South Bend Education Foundation with a minimum gift of \$1,000 within a 12-month period. The purpose of this program is to fund the newly established Teacher Development Endowment along with other opportunities to bridge the gap between public and private funding for South Bend Schools.

The Teacher Development Endowment will provide grant funds to teachers in South Bend Community Schools so they may continue their education through conferences, certificate programs, advanced credentialing and other approved opportunities. Teachers currently pay out of pocket for these expenses. The goal is to help attract and retain the best teachers by offering grant opportunities which will pay for, or offset, their costs.

Members of the Superintendent's Circle will receive a welcome letter from Dr. Cummings along with updates on the state of South Bend Schools and the impact of your support. You and a guest will also be invited to a members only event he will host each fall.

The South Bend Education Foundation is an IRS designated 501(c)3 tax exempt charity and your gift may be tax deductible (*consult your tax advisor*). More importantly, you will be supporting our teachers who strive every school day to help their students reach their full potential. Your investment is one that will help shape the future of South Bend.

**Please complete the attached donation card and return it with your pledge.**
