Payroll Deduction 2020-2021

Every SBCSC staff member who works with students is eligible to apply for a grant. Every single payroll donation is deposited monthly into our endowment fund. The classroom/school endowment provides for over \$25,000 in staff member grants. The SBCSC development endowment provides \$2,500 professional development grants. Your donation to either fund ensures that the legacy of innovative grants continues in perpetuity.

Our Grant Program has funded nearly \$500,000 in grants, which are presented at our annual Great Friends of Schools event in the spring.

We hope you will initiate or continue your support as we work together doing great things for the students in South Bend Schools. Thank you!

Sincerely,

#TeamSouthBend

Dean Moore Executive Director
